

Location: 178 Oakwood Drive, Glastonbury, CT
Position Title: Program Manager, Suicide Prevention
Position Type: Full time, 37.5 hours
Salary: \$70,000 - \$80,000, commensurate with experience
Education: Masters preferred

We work hard to make sure the best prevention, treatment, and recovery supports are available to everyone.

We are seeking a **Program Manager** to lead all aspects of the regional suicide prevention program.

Responsibilities:

- Lead and coordinate all aspects of the Regional Suicide Advisory Board (RSAB) and regional workplan.
- Serve as a subject matter expert in suicide prevention best practices.
- Build regional and community-level capacity and readiness to prevent and respond to suicide (postvention).
- Lead/attend regional coalitions, state boards, and committees in service as a strategic community partner.
- Coordinate outreach and training efforts with local partners including community groups, schools, health systems, towns, first responders, law enforcement, veteran serving organizations, and other coalitions.
- Provide routine supervision to team member(s).
- Cultivate a positive and coherent team culture, emphasizing collaboration, shared goals, and engagement.
- Promote interdisciplinary collaboration with other community coalitions.
- Ensure lived experiences inform efforts.
- Promote best practices and utilize the Strategic Prevention Framework (SPF).
- Complete reports on program activities.
- Organize and support agency initiatives as a member of the management team of Amplify.
- Attend professional development as requested or as required for accreditation/certification.
- Perform other duties and responsibilities as assigned by the Amplify Executive Director.

Qualifications and Skills:

- Master's degree preferred in health-related discipline or public administration.
- Knowledge/experience in suicide prevention/mental health promotion.
- Minimum one year supervisory/managerial experience strongly preferred.
- Minimum three years in a healthcare/human services setting.
- Ability to capture and translate accurate data related to program management.
- Question, Persuade, Refer (QPR) trainer or willing to obtain.

Professional Licensure/Certification:

- Certified Prevention Specialist (CPS) or willing to obtain certification.

We understand what it takes to do this work well and be well. We offer competitive benefits including:

- Paid time off includes: fourteen holidays, plus vacation and sick time.
- Health and dental insurance
- 100% Employer-sponsored HRA
- Dependent care reimbursement.
- Employee Assistance Program (EAP)
- STD/Disability coverage
- Retirement plan options.
